It’s starting to ramp up!

With November and the big day just around the corner, we are starting to collect donations for our stalls and all-important Spinning Wheel hampers!

In our last edition, we shared with you the stalls and hamper themes which have been allocated to your class and we are now working with your parent representatives to ensure we get our rosters filled, hampers full and plenty of soft drinks to sell on the day! And if you haven’t already, you will be hearing a lot more from your friendly reps on the specific requirements for your class.

We appreciate it is a busy time and there is a lot of information and requests for contributions leading up the Bazaar, so thank you in advance for your support!

Help Spread the Word about this year’s Bazaar

To help us get the word out about the Bazaar, we’re hoping that every Princes Hill Primary School household can play their part.

A number of ways you could help are:

- **2013 Bazaar Flyers** (A3) are available from the school office to be displayed or distributed in workplaces, on community noticeboards, retail outlets etc.
- **2013 Bazaar Postcards** will be given to children on Friday 1st Nov so they can write to friends, family or neighbours inviting them to the Bazaar
- Families can do their own viral marketing. Email or phone your family and friends to ask them to attend the Bazaar on November 17.
- Corflute Signs – Display at your property to advertise the Bazaar. See Julie if you can help.

Get in early for your Supertreats Pass and Unlimited Rides Wristband

A notice about this year’s Supertreats Pass and Unlimited Rides Wristband will
be sent home with the oldest child in the family this week, so keep on eye on the contents of your child's school bag.

The pass and wristband give your kids ready access to rides, fun activities and food. It is a must have item to keep the kid's entertained all day.

Pre purchase of both the Supertreats Pass and Unlimited Rides Wristband will be available until Wednesday 13th November.

**Calling all bakers, we need your help!**

Hello Bakers, Relish, Jam and Preserve makers….

Now is the time to get bottling those delicious jams, preserves, pickles, and relishes. Jars are available at the office should you need them.

On Friday 8th November, we will be sending home Cake Packages to all families. PLEASE get busy baking to contribute to this stall. Anything you can make will be gratefully accepted and if you can, it would be great to have some gluten-free options to sell on the day.

In addition to the traditional items such as cakes, biscuits and slices, this year we would love individual goodies such as cookies, jellies, cupcakes, teacup biscuits, chocolate crackles, honey crackles or slices that the children can buy as single items on the day. Last year we had some amazing sour-dough bread delivered hot from the oven which sold immediately, so anything out of the ordinary is well received.

Other popular items are Christmas puddings and cakes. I am also keen to get hold of some gourmet teas & coffee to sell. If you can help donate these items please let me know.

Please make sure that ALL items are properly labelled with the ingredients and any specific storage requirements, date baked. There will be a register with Julie in the Office if you wish to drop off jams or preserves before the Bazaar.

With thanks Sophie (0414 834 855) or sixsavs@optusnet.com.au

*Book Update…..*

Our very popular book stall is about to start accepting quality book donations, with drop off times and locations to be confirmed in the next Bazaar News.

So start sorting through your book collections. Please, please do not include magazines or books in a tatty condition. Sorting is a major part of the process, so we’d appreciate it if you can help us by weeding out the good from the bad (condition).

If you are keen to offload a large number of books, please contact me if transportation is an issue (min 5-10 boxes). Donations will not be accepted on the day. If you have time to sort and price books before the Bazaar, please contact Ross McGravie on 0419 330 039.

*Not sure what to donate for the Spinning Wheel hampers?*

Some of those hampers need some filling…

If you are stuck for ideas on what to donate to the spinning wheel hampers, please check your class theme and the suggestion list in your room. Items for all themes can be bought at your local supermarket. No contribution too big or small.

With thanks, Kate Fitzgibbon & Justine Kelly
**Say Cheese!!!**

An exciting new stall will pop up at Bazaar 2013 a PHOTOBOOTH!

Forget instagram and photos lost in cyberspace. Get a genuine, retro style, hard copy of your self, your family or you and your friends.

The Princes Hill photo booth will have two exciting retro options styled by Tania Jovanovic. Prices range from $5 - $20 per set up.

**Vintage Your Style....**

Time to clean out your wardrobes and donate to the PHPS Vintage Emporium.

We are aiming to make the 2013 second hand clothing stall even better than last year but we can’t do it without your help.

You can drop your donations at the gym from Friday November 15 and until 4pm Saturday 16. Please contact Winnie or Andrea if you need to donate earlier.

Please make sure that you donate good quality, wearable pieces (no socks or underwear unless brand new). These might include:

- Mens, women’s and children’s clothing in good condition
- Accessories – scarves, belts, necklaces, bracelets, hats, bags
- Shoes that are still wearable and not smelly!

If you have coat hangers and spare plastic bags lying around we are happy to accept those too. We are on the hunt for a full length mirror so please contact us if you have one we could borrow for the day.

For more information please contact Winnie Salamon winnie@winniesalamon.com or 0412885436 or Andrea Wals awals@live.com.au or 0422756721

**Have you seen that toy somewhere before?!!**

It's time to start rummaging around at home for all your unwanted toys. Do it while the kids are at school and then you can be particularly ruthless - they'll never miss it, and if they do, they can always buy it back on the day!

We want all secondhand toys in good condition. PLEASE only donate items you think someone else will want to buy. We don't want anything broken.

Please no secondhand car seats, booster seats or cots. Due to tough safety regulations, nobody buys them.

We will take items on Friday 15th November and Saturday 16th November.

Please contact Nova on 0419 398 544 for more information.

Thanks ... Nova Weetman & Bridget Costelloe
The Craft Stall needs your help!

Do you have a creative talent or enjoy a craft project – then we need you! Craft mornings are being held and helpers are needed or if you are working on a fabulous donation for the craft stall can you please contact Cathy Le Moignan on 0407 324 680.

The craft stall is a very popular stall and needs your help to make it a success.

Did you know?

Princes Hill Primary school is a member of a fete collective. The collective saves all the participating schools considerable amounts of money, effort and storage space through the pooling of resources.

Each year a shipping container is filled with equipment from Collingwood college, Spensley Street PS, North Fitzroy Primary School, Clifton Hill PS and of course Princes Hill and is transported from school to school for the ‘fete’ season.

This year the Friendly Moving Men have kindly donated their time to pick up all of the equipment from each school in time for the set up of each fete. In past years parents at each school have had to transport the equipment to and from the shipping container, so the Friendly Moving Men have saved the communities of each school a significant amount of effort.

The participating schools all have their events over the next month, so get along and check them out.
