8th November 2021

Dear Parent and Carers,

Princes Hill Primary School is looking forward to another great year of teaching and learning and would like to advise you of Princes Hill's voluntary financial contributions for **Year 1 2022**.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to offer additional programs and special curriculum experiences such as Artist in Residence, Musician in residence, providing additional literacy support and a library technician; enhanced digital learning opportunities; the upgrade of our school grounds and help build our wellness centre

For further information on the Department's Parent Payments Policy please see a one-page overview included.

Yours sincerely,
