

PRINCES HILL PRIMARY SCHOOL

SCHOOL COUNCIL STANDING ORDERS

Rationale:

These standing orders are intended as a guide only. They are designed to help school councils run their meetings in a productive and efficient manner.

Purpose of school council

School council is the legally formed body that is given powers to set the key directions of a school. It is the major governing body of the school that, within Department of Education (DET) guidelines, decides the future directions for the school and oversees the school's operation.

The legislative framework

School councils operate under a framework provided by the:

- Education and Training Reform Act 2006 (the Act)
- Education and Training Regulations 2007 (the Regulations)
- Individual school's constituting Order.

Subject to this framework, a school council may regulate its own proceedings.

Councillors must abide by the Code of Conduct for Directors of Victorian Public Entities (updated 2018) issued by the Victorian Public Sector Commission. The Code of Conduct is based on the Victorian public sector values and requires councillors to:

- Act with honesty and integrity
- Act in good faith in the best interests of the school
- Act fairly and impartially
- Use information appropriately
- Use their position appropriately
- Exercise due care, diligence and skill
- Comply with relevant legislation and policies
- Demonstrate leadership and stewardship

School council membership

The constituting Order of Princes Hill Primary School states the composition of the Council is:

- 9 elected parent members, who represent more than one third of school councillors
- 5 elected DET employee members. The principal who is executive officer is included in this number.
- 1 community member. It should be noted that community membership positions are appointed, rather than elected. DET employees are not eligible for appointment to this category.

Community members have the same voting rights as elected members.

Casual vacancies

Should a casual vacancy occur on council, this vacancy is filled by council co-opting a person from the appropriate category who then completes the rest of the term of office of the retiring member.

Office bearers

School councils must include these positions:

- **President:** is elected from council members and must be a parent member (non-Department employee) or community member who is chairperson of school council meetings. This is a mandated office bearer position.
- **Vice President:** is elected from council members and must be a parent member (non-Department employee) or community member.
- **Treasurer:** is elected from council members, preferably a parent member or community member. The business manager should not hold this position. The treasurer may also be appointed as the convenor of the finance subcommittee.
- **Executive officer:** the principal. The principal is a full member of council with the same voting rights as other councillors.
- **Secretary:** is elected from council members, preferably a parent member or community member.

Other office bearers

The convenor of the finance sub-committee is appointed by school council. It is recommended this position be held by a non DET parent member or a community member. This position should not be filled by the school's business manager.

The minutes secretary may be either an elected member of school council or a person appointed to this role who is not a member of school council and is therefore a silent observer with no voting rights.

Quorum

A quorum requires not less than one half of school council members currently holding office to be present at the meeting with a majority of members present who are parent elected members. Any parent members on school council who also work for the Department are not counted as DET employees for the purpose of a quorum.

A member of the school council may be present in person or by video conferencing or teleconferencing.

Tied votes

When a vote is tied (i.e. an even number of people are for and against the decision), the president has the casting or deciding vote. It is therefore important that when the president offers a personal opinion on an issue, this is clearly stated. Councillors need to be able to clearly distinguish between the president's personal views and when a ruling is made as president of school council.

Proxies and voting procedures

Eligible members of council must be present at a meeting to be part of the decision making process. There is no provision in either the Act or the Regulations for proxies. Therefore, if someone is unable to attend a meeting, another person cannot attend and vote on their behalf. In the event of a vote being tied, the chairperson of the meeting (usually the president) has the casting vote.

Absence of the president and other members from a meeting

If the president is unable to preside at a school council meeting, the school council will elect a member of the school council to chair the school council meeting (other than an employee of DET). If a member is unable to attend a meeting, an apology should be submitted to the principal prior to the meeting.

School council meetings

Unless otherwise decided, school council meetings will be held twice a term on the 3rd Tuesday of each month from 6pm – 8pm.

If members are unable to attend a meeting, they are expected to send their apology prior to the meeting.

School council must also hold at least one public meeting each year to report to the school community on its activities and to present a statement of the school's income and expenditure for the previous calendar year.

An extraordinary meeting may be held at any time decided by council, provided all members are given prior notice of the date, time, place and purpose of the meeting. At least one week's notice is preferable if an extraordinary meeting is to be held.

Open and closed meetings

While all school council meetings would normally be open to the school community, there may be times when the council meeting, or part of the meeting needs to be closed to protect confidentiality or privacy or for another valid reason. Should this occur, school council will need to approve a recommendation (called a "motion") to go into a "closed" session. School council should then go back into open session once the topic under discussion has been concluded.

Visitors or observers can be present with the agreement of the principal and a decision by school council, but they must direct all their comments through the chairperson. Visitors have no voting rights.

Extensions of meeting times

If business has not been concluded by the scheduled closing time for the meeting, the chair should ask councillors whether they wish to defer the rest of the business until the next meeting or to extend the meeting by a specified period of time (e.g. 15 minutes).

A motion is necessary if council wants to extend the meeting for that evening.

Conflict of interest

If a school councillor has a direct financial interest in a matter being considered before council, that councillor:

Must declare the conflict of interest

Must not be present during the discussion unless invited to do so by the president

Must not be present when a vote is taken on the matter

May be included in the quorum for that meeting

Agenda and notes

The agenda, minutes from the previous meeting and any notes for the meeting, such as sub-committee minutes, president's report, principal's report, will be distributed to all on the Friday prior to the School Council meeting.

Minutes

All decisions of council shall be recorded as minutes. Also included in the minutes are the dates and times of the meeting, those present and apologies, and an overview of key discussions. When school council minutes are submitted for confirmation, only questions regarding their accuracy as a record of the meeting are to be raised.

Once the minutes have been accepted as a true and accurate record of the meeting, they are to be signed by the school council president or the person who chaired the meeting.
Business arising from the minutes is dealt with after the minutes have been confirmed.
Minutes held by the school are to be made available for inspection by the school community.

School council decisions

Decisions of Princes Hill Primary School council will be by a majority of those eligible to vote and who are present at the meeting, where the majority are parent elected members. Princes Hill Primary School council will try to reach decisions by consensus but when that is not possible, a count will be taken with the number for and against recorded in the minutes. Voting will normally be by a show of hands, but a secret ballot may be used for particular issues.

Council sub-committees

Sub-committees assist council in all the work that needs to be done. They report regularly at school council meetings, provide advice and make recommendations to council, which has the final responsibility for decisions. Sub-committees cannot make decisions for school council, rather they make recommendations to council.
All school councillors are expected to play an active role in at least one sub-committee.

School council principles

School councillors will at all times behave in a civil and respectful manner.
Councillors will promote:
Respectful partnerships
Clear and honest two-way communication
Transparent processes
Democratic, informed decision-making
Personal and professional integrity.
