PURPOSE

To explain to our school community the Department's and Princes Hill Primary School's (PHPS) policy requirements and expectations relating to students using mobile phones and other personal mobile devices during school hours.

SCOPE

This policy applies to:

1. All students at PHPS and,
2. Students' personal mobile phones and other personal mobile devices brought onto school premises during school hours, including recess and lunchtime.

DEFINITIONS

A mobile phone is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network. [NOTE: For the purpose of this policy, "mobile phone" refers to mobile phones and any device that may connect to or have a similar functionality to a mobile phone such as smart watches.]

POLICY

PHPS understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

At PHPS:

- Students who choose to bring mobile phones to school must have them switched off and securely stored during school hours
- Exceptions to this policy may be applied if certain conditions are met (see below for further information)
- When emergencies occur, parents or carers should reach their child by calling the school's office.

Personal mobile phone use

In accordance with the Department's [Mobile Phones — Student Use Policy](#) issued by the Minister for Education, personal mobile phones must not be used at PHPS during school hours, including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

Secure storage

Mobile phones owned by students at PHPS are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that PHPS does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items. Refer to the PHPS's Personal Property Policy AND the Department's [Claims for Property Damage and Medical Expenses policy](#).

Where students bring a mobile phone to school, PHPS will provide secure storage. Secure storage is locked storage that cannot be readily accessed by those without permission to do so. At PHPS school students are required to hand their phones to the class teacher to be placed in a lockable cabinet.

Enforcement

Enforcement must comply with the Department's [Weapons — Banning, Searching and Seizing Harmful Items](#) policy relating to 'other items' which states that staff "should instruct the student to hand over the item(s) and if the student refuses to hand over the items, implement the relevant disciplinary provision within the student code of conduct."

Students who use their personal mobile phones inappropriately at PHPS will be issued with consequences consistent with our school's existing student engagement policies *e.g. Student Wellbeing and Engagement* and *Bullying Prevention* policies.

At PHPS inappropriate use of mobile phones is **any use during school hours**, unless an exception has been granted, and particularly use of a mobile phone:

- in any way that disrupts the learning of others
- to send inappropriate, harassing or threatening messages or phone calls
- to engage in inappropriate social media use including cyber bullying
- to capture video or images of people, including students, teachers and members of the school community without their permission
- to capture video or images in the school toilets, changing rooms, swimming pools
- during exams and assessments

Exceptions

Exceptions to the policy:

- may be applied during school hours if certain conditions are met, specifically,
 - Health and wellbeing-related exceptions; and
 - Exceptions related to managing risk when students are offsite.
- can be granted by the Principal, or by the teacher for that class, in accordance with the Department's [Mobile Phones — Student Use Policy](#).

The three categories of exceptions allowed under the Department's [Mobile Phones – Student Use Policy](#) are:

1. Learning-related exceptions

For students for whom a reasonable adjustment to a learning program is needed because of a disability or learning difficulty	Individual Learning Plan

3. Exceptions related to managing risk when students are offsite

Where an exception is granted, the student can only use the mobile phone for the purpose for which it was granted.
