

Preps: Stars

The Preps began their presentation by singing Twinkle Twinkle Little Star accompanied by the harp. They sang the song first, and then a second time with the whole school and audience singing along too.

Each Home Group was their own Star Constellation with their own distinctive sound, and they were located in different parts of the gym.

The Three constellations and their instrumentation were:

The Bell Constellation: higher pitched Fed Bells (lighter bell weight to hold up).

The Chime-bar Constellation: chime-bars of various pitched

The Pudding bowl Constellation: pyrex bowls sourced from op-shops (have a fabulous resonant sound).

The Preps 'Pudding Bowl Constellation, Gen rehearses with the Preps

The Bell and Chime-bar Constellations.
