VISION

PHPS's vision is to nurture in children a desire to learn throughout life and to develop the capacity to exercise judgement and responsibility in matters of morality, ethics and social justice.

MISSION

PHPS's mission is to partner with our students on their lifelong journey of learning and discovery, so they may participate meaningfully and purposefully in a world they are already helping to shape.

OBJECTIVE

PHPS's objective is to foster children's creativity, social flexibility, initiative, and innate curiosity so that they may thrive in, and contribute to, an ever-changing world.

VALUES

PHPS's values are *One community, Expanding possibilities, and Strong and capable children*

We all have a part to play in the life of our school and community. We are respectful and supportive, and we look for the good in those around us.

We see, unlock and expand the potential in our children, in all its different forms, and we understand that knowledge can be expressed in different ways. We spark ideas, we wonder.

Children are active citizens and they can influence the world around them. Our children are at the centre of everything we do, and we act in their best interests.
